

TIME MACHINE 2020  
**AI SESSIONS**  
VIRTUAL INTERACTIVE SERIES ON TODAY'S REAL WORLD APPLICATIONS OF AI  
presented by SparkCognition™

## VIRTUAL REALITY EXHIBIT HALL SETUP INSTRUCTIONS FOR **DESKTOP**

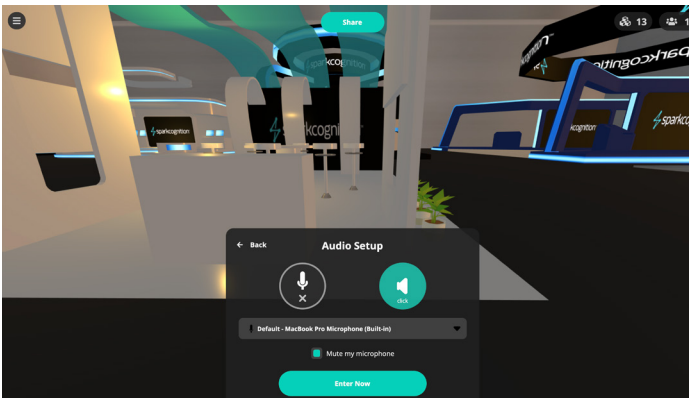

Before the show, during the breaks, and after the show, enter the VR experience from the AI Sessions live broadcast page.

Click "Enter Room".

Choose which device you would like to enter room. "VR Headset" or "On Screen"

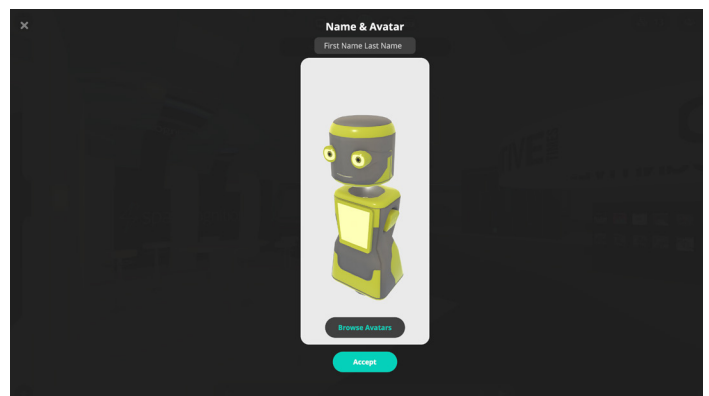

Choose audio input.

Use the Q & A keys to rotate and arrows to move forward, backward, and side to side.

Click on the hamburger menu at top left to customize avatar name. Enter first and last name.

You're done! Enjoy the experience!
